

Barangay Escrow Protocol

(Ethical Asset Ownership and Blockchain Based)

Civic-Grade Resources

Verified Documents for Ethical Stewardship, Public Transparency, and Community Empowerment

This section provides direct access to the most essential materials of the Barangay Escrow Protocol. Each file is reviewed, timestamped, and formatted for clarity—ready for LGU use, citizen onboarding, and agency coordination.

Downloadable Documents

 Resource	Description	Format	Link
 Civic Signage Kit	Printable posters with QR codes, bilingual headings, and visual flow	PDF	Download
 Trigger Logic Summary	FPIC, animal relocation, timestamping, and voluntary consent logic	PDF	View Summary
 Audit Trail Snapshot	Timestamped ledger entries with QR-linked verification	PDF	View Snapshot
 Civic Charter	Legal basis, stewardship principles, and agency roles	PDF	Read Charter

How to Use These Files

- **Scan the signage QR code** to access this repository
- **Download and print** signage for barangay halls, LGU offices, and community centers
- **Share trigger logic summaries** with IPOPHL, DTI, DENR, and DOJ for review
- **Use audit trail snapshots** to verify escrow releases and ethical compliance
- **Present the civic charter** during barangay assemblies or stakeholder briefings

Verified Stewardship

Each document is:

-  Reviewed for legal and ethical clarity
-  Timestamped via blockchain for public verification
-  Available in PDF format for offline use and printing
-  Linked to this repository for transparency and traceability
